If you access the Web Site from outside of the United States, you do so at your own risk and are responsible for compliance with the laws of your jurisdiction. These Terms and Conditions are governed by the internal substantive laws of the State of California, in Butte County, without respect to its conflict of laws principles. Jurisdiction for any claims arising under this agreement shall lie exclusively with the state or federal courts within Butte County, California, and all parties submit to the jurisdiction of the venue of these courts. #### **Cookies**

Your browser offers so-called "cookies", which if you allow their use it can store small amounts of data on your computer about your visit to any of our sites. Cookies assist us in tracking which of our features you like best. And when you re-visit our site, cookies can enable us to customize our content according to your preferences. However,

cookies tell us nothing about you personally unless you specifically give us additional information.

We do not use cookies to identify, monitor or track any personally identifiable information. Our cookies in and of themselves do not contain any personally identifiable information about you. We do not merge or associate our cookie information with any personally identifiable information obtained by us or from third parties.

### **IP Addresses**

An Internet Protocol (IP) address is a number assigned to your computer whenever you surf the Web. An Internet Service Provider randomly assigns the IP address at the time of dial-up. For other local area network (LAN) or cable modem users, the IP address may be permanently assigned to a particular computer or other device connected to the network. Anytime you connect to a site on the Internet, the computers communicating with each other exchange IP addresses. IP addresses can tell things like what part of the world you're connecting from, or which Internet Service Provider you are using.

We don't collect IP addresses. Also, we do not link IP addresses to anything personally identifiable, which means that a user's computer session is logged, but the computer user remains anonymous.

### **Mailing List**

We will NEVER sale any of your information to third party vendors email lists or mailing lists.

## **The Company's Liability**

This Web Site acts as a venue for users (such as Vendors, Customers, and other parties) to post information and coupons about their company, goods and services, as well as other related information, and does not screen or censor the posting made. The web site may also be a venue for different products, articles and interviews. The Company is not involved in the actual communications between users, unless specifically mentioned otherwise. As a result, the Company has no control over the content of the various postings, Vendor information, and product information or users work product. In addition, note that there are risks, including but not limited to the risk of physical harm, of dealing with strangers, foreign nationals, underage persons or people acting under false pretenses. You assume all risks associated with dealing with other users, vendors and authors with whom you come in contact through the Web Site. There is no agency agreement of any kind made between any Vendor or publisher and the Company.

The Company is also not responsible for the content or accuracy of the articles presented on the web site. The opinions of the authors are their opinions and the Company does not endorse these comments.

Because user authentication on the Internet is difficult, the Company cannot and does not confirm that each user/vendor is who they claim to be. Because we do not and cannot be involved in user-to-user/vendor dealings or control the behavior of participants, in the event that you have a dispute with one or more users, you release the Company (and employees) from claims, demands and damages (actual and consequential, direct and indirect) of every kind and nature (including negligence), known and unknown, suspected and unsuspected, disclosed and undisclosed, arising out of or in any way connected with such disputes.

We are under no legal obligation to, and generally do not, control the information provided by other users, vendors, publishers and others, which is made available through the Web Site. By its very nature, other party's information may be offensive, harmful or inaccurate, and in some cases will be mislabeled or deceptively labeled. We expect that you will use caution and common sense when using this Web Site.

The Material may contain inaccuracies or typographical errors. The Company makes no representations about the accuracy, reliability, completeness, or timeliness of the

Web Site, or other Material. The use of the Web Site and the Material is at your own risk. Changes are periodically made to the Web Site and may be made at any time.

### **Disputes between Customers and Vendors**

As mentioned before, the Web Site is just a venue. In the event of any disputes between a Vendor (advertised or not) and Vendor's customer, the Company will not intervene on either parties behalf. All disputes, refunds or other events arising between the Vendor and its customers shall be resolved between the Vendor and its customers.
